RE - IMAGINE

The Watt/I-80 Transit Center can pose obstacles for riders, such as safety, access and cleanliness. The Re-Imagine Watt/I-80 project is an opportunity to re-envision the station and develop actionable recommendations for improvement. The project addresses safety, pedestrian, bike, ADA access, art, cleanliness and bus transfers.

Join SacRT at the North Highlands Community Center on Wednesday, January 10, 2018, for a public open house from 5:30 p.m. to 7:00 p.m. to help determine what changes are possible to enhance the transit center.

Relax and let SacRT do the driving! We promise to be your family-friendly way to get to arena events with light rail stops just one block from Golden 1 Center. When an event ends after SacRT's regular service hours, which is approximately midnight, we will operate special service trains for up to 45 minutes post-event (end of game and/or last encore) on the Blue Line and Gold Line. SacRT will only operate extended service to Folsom stations (Hazel, Iron Point, Glenn and Historic Folsom) for major events and Kings home games. Regular city of Folsom service ends at approximately 7 p.m. on most nights. Make sure to check the Service Calendar at gosacrt.com before parking for late night events. For more frequent service and extended security hours, Folsom, Cameron Park and El Dorado Hills customers should park and ride from the Sunrise Station.
