Subject: Adopting Title XV of RT's Administrative Code to Codify RT's Ordinance Prohibiting Specified Acts Committed in or on RT Vehicles and Facilities

ISSUE

Whether to adopt Title XV of RT's Administrative Code to Codify RT's Ordinance Prohibiting Specified Acts Committed in or on RT Vehicles or Facilities.

RECOMMENDED ACTION

Adopt Resolution No. 16-03-____, Adopting Title XV of RT's Administrative Code to Codify RT's Ordinance Prohibiting Specified Acts Committed in or on RT Vehicles or Facilities.

FISCAL IMPACT

There is no expense to RT associated with this action. However, this action is necessary to allow the Sacramento County Court to continue to process RT-issued citations for violations of the Prohibited Acts Ordinance.

DISCUSSION

RT's Ordinance Prohibiting Specified Acts Committed in or on RT Vehicles or Facilities was repealed and restated in June 2015 (RT Ordinance No. 15-06-02) and was subsequently amended in December 2015 (RT Ordinance No. 15-12-01). The "Prohibited Acts Ordinance" provides the authority for RT to issue criminal citations for certain violations of transit laws on trains and buses, including failure to yield disabled seating; knowingly giving false identification to a district employee engaged in the enforcement of district ordinances or state law, unauthorized operation of; interference with, entry into, climbing upon, attaching to, or loitering on or in, transit facilities or other transit property, removal, displacement, injury, destruction, or obstruction of any part of any track, switch, turnout, bridge, culvert, or any other district structure or fixture; violation of conditions of carriage for bicycles, and violating prohibitions adopted to ensure the safety and security of transit passengers, or the safe and secure operation of the transit system.

Recently, RT was informed that the computer system used by the Sacramento County Superior Court to process criminal citations does not have the capacity to accept the number of digits that are required to enter RT citations using the Ordinance number followed by the specific section numbers within the Ordinance. As a result, absent a change in the manner in which RT's Prohibited Acts Ordinance is identified, the Court cannot process RT-issued citations.

Pursuant to its Enabling Act, the RT Board of Directors has the power to adopt an administrative code. (Publ. Util. Code § 102121(d).) Under Title III of the RT Administrative Code, which sets out the Board rules of procedure, ordinances and resolutions may be codified in the same manner in which counties may codify their ordinances and resolutions. 3.1.7.6.) Government Code section 25126 provides that counties (and RT by the operation of its Administrative Code) may compile, consolidate, revise, index and arrange ordinances in a comprehensive code.

RT's current Administrative Code contains Titles I through XIV. Staff proposes that Title XV be added to the Code and that it contain the text of the Prohibited Acts Ordinance (15-06-02) and the recent amendment (15-12-01). Through the adoption of Title XV of the Administrative Code, RT will be able to adjust the numbering of the Prohibited Acts Ordinance in a manner that will accommodate the limitations of the Court's computer system used for processing criminal citations.

RESOLUTION NO. 16-03-_____

Adopted by the Board of Directors of the Sacramento Regional Transit District on this date:

March 28, 2016

**ADOPTING TITLE XV TO THE SACRAMENTO REGIONAL TRANSIT DISTRICT

WHEREAS, when citations are issued under the Prohibited Acts Ordinance, the number of characters in the Ordinance number, combined with the specific section(s) violated, exceed the number of characters that can be entered into the corresponding data field in the computer system used by the Sacramento County Superior Court to process criminal citations; and

WHEREAS, the Board may adopt an Administrative Code and may arrange and compile ordinances within the Code; and

§15.8 CONDUCT PROHIBITED UNDER PUBLIC UTILITIES CODE
SECTION 102122

Pursuant to *Public Utilities Code* Section 102122, no person, other than an authorized RT employee or agent, may do any of the following:

- A. Interfere with the operation of a Vehicle or any Facility used to provide access to a Vehicle. The term “interfere” includes acting in a manner that could impair: a) the safety of any person; or b) RT’s provision of safe, efficient and convenient transit service.
- B. Climb upon or attach himself or herself to any Vehicle or Facility except as the Vehicle or Facility was designed to be used.
- C. Enter upon the roadbed, tracks, structures or other parts of a Facility not open to the public.

Occupy a bus bench or shelter at a bus stop unless the person boards the next Vehicle, arriving at the stop travelling in the passenger’s direction of travel or the person occupies the facility to accompany or meet another person (“the Passenger”) who will either be boarding onto or is expected to alight from the next Vehicle arriving at the stop traveling in the Passenger’s direction of travel. For purposes of this Section, “Vehicle” includes a bus operated by another public transit agency, if the bus is authorized by RT to use the stop.
- F. Enter a Paid Fare Zone unless:
 - 1. The person is in possession of valid fare or promptly purchases valid fare from a fare vending machine and boards the next Vehicle arriving at the Light Rail Station traveling in the person’s direction of travel. Each person entering a Paid Fare Zone within a Light Rail Station will be permitted sufficient time to purchase fare and board a Vehicle, taking into consideration factors affecting mobility such as age or disability, schedule delays or Vehicles that are full to capacity; or
 - 2. The person alights from an Vehicle, having paid the applicable fare and either:
 - a) leaves the Paid Fare Zone without delay; or
 - b) if transferring to a different Light Rail line, boards the next Vehicle arriving at the Light Rail Station travelling in the passenger’s direction of travel.
- G. Enter a Light Rail Station without a Paid Fare Zone or the portion of a Light Rail Station outside a Paid Fare Zone unless:

1. The person alights from an Vehicle and either:

2. The person enters the Light Rail Station to accompany or meet another person ("the Passenger") who will either be boarding or is expected to alight from the next Vehicle at the Light Rail Station traveling in the Passenger's direction of travel ("Next Vehicle"), subject to the following:
 - a) the person may enter a Light Rail Station to drop off the Passenger no sooner than 15 minutes prior to the scheduled arrival of the next Vehicle, unless a longer period is required for the Passenger to board taking into consideration factors affecting mobility such as age or disability, schedule delays, and Vehicles that are full to capacity. Once the Passenger boards a Vehicle, the person must leave the Light Rail Station without delay; or
 - b) if the Passenger who is to be picked-up fails to alight from the next Vehicle, the person may stay an additional 15 minutes to wait for the next Vehicle scheduled to arrive traveling in the Passenger's direction of travel ("second Vehicle"), unless a longer period is required due to schedule delays or Vehicles that are full to capacity. If the Passenger does not alight from the second Vehicle, the person must leave the Light Rail Station immediately after the second Vehicle leaves the Light Rail Station. For purposes of this Section, "Vehicle" includes a bus operated by another public transit agency, if the bus is authorized by RT to use the Light Rail Station.

This Section 15.8.G does not prohibit any person from engaging in activities that are protected under federal and state laws, including without limitation, picketing, demonstrating, distributing handbills, or circulating petitions outside of a Paid Fare Zone.

- H. Enter a Light Rail Station while operating a vehicle, as defined in the *Vehicle Code*, unless the person operating the vehicle:
1. parks the vehicle in the area designated for vehicle parking and boards the next Vehicle as provided in Section F or G; or
 2. parks in the area designated for passenger loading or vehicle parking and:
 - a) removes the vehicle from the Light Rail Station without delay after the Passenger boarding the next Vehicle has been dropped-off. If the Passenger needs assistance in boarding, the person may accompany the Passenger to the platform but must remove the vehicle from the Light Rail Station without delay after the Passenger boards the next Vehicle. A person may enter a Light Rail Station to drop off the Passenger no sooner than 15 minutes prior to the scheduled arrival of

the Vehicle traveling to the Passenger's destination, unless a longer period is required due to schedule delays or Vehicles that are full to capacity; or

- b) removes the vehicle from the Light Rail Station without delay after the Passenger alighting from the Next Vehicle has been picked up. If the Passenger who is to be picked up fails to alight from the next Vehicle, the person may stay an additional 15 minutes to wait for the next Vehicle scheduled to arrive traveling in the Passenger's direction of travel ("second Vehicle"), unless a longer period is required due to schedule delays or Vehicles that are full to capacity. If the Passenger does not alight from the second Vehicle, the person must leave the Light Rail Station immediately after the second Vehicle leaves the Light Rail Station. For purposes of this Section, "Vehicle" includes a bus operated by another public transit agency, if the bus is authorized by RT to use the Light Rail Station.

I. The provisions of 15.8.F, 15.8.G or 15.8.H do not apply to a person who is:

1. Attending an RT-authorized event at a Light Rail Station to which the person is invited when that person remains within those areas of the Light Rail Station that are open for the event on the day and during hours of operation of the event. RT or any third party that RT authorizes to conduct an event at a Light Rail Station must post the following information at each entrance to the event or in prominent locations at the event site if the event does not have controlled access points: whether the event is open to the public or by invitation only, the event date(s) and hours of operation, and the area or areas within a Light Rail Station that are open for the event.

§15.9 ADA COMPLIANCE

Nothing herein shall be construed to prohibit the presence or use of any device or implement used by a disabled person to gain equal access to and use of the transportation services provided by RT at any location within a Facility or on a Vehicle if such prohibition

would constitute unlawful discrimination under the Americans With Disabilities Act or 1990, as amended, and its implementing regulations, or if RT otherwise authorizes the presence or use of the device or implement under Title XII of the RT Administrative Code.

§15.10 PENALTIES

Violations of the Penal Code or Vehicle Code as set forth above shall be subject to the penalties set forth in the applicable Penal Code or Vehicle Code section.

Excluding Section 15.8.H, violations of Sections 15.5 and 15.8 are infractions punishable by a fine not to exceed \$75 for the first offense and, for the second or subsequent offense, a fine not to exceed \$250 or by community service which does not conflict with the violator's hours of school attendance or employment for a total time not to exceed 48 hours over a period not to exceed 60 days.

§15.12 SEVERABILITY

This Title and the Ordinance on which it is based shall be liberally construed to effectuate its purposes. The provisions of this Title and the Ordinance on which is based are severable. If any of the provisions, clauses, sentences, sections, subsections, words, or portions thereof is held illegal, invalid, unconstitutional, or inapplicable to any person or circumstance, such portion shall be deemed, to the maximum extent possible, a separate, distinct, and independent provision, so that such illegality, invalidity, unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, sections, subsections, words or portions of this Title or the Ordinance on which it is based or their application to other persons or circumstances. If any section, subsection, sentence, clause, phrase, or portion of this Title or the Ordinance on which it is based is for any reason held invalid or unconstitutional by a court of competent jurisdiction, the invalidity shall not affect the remaining portions of this Title or the Ordinance on which it is based.
